## Work Experiences

### Accessifiers

Jan 2025 - Present

Mobile App – Backend Engineer Intern (Remote)

Seattle, WA

- Developed an Android-based e-learning platform using Kotlin, focusing on backend integration and authentication workflows to support seamless user access
- Integrated Single Sign-On (SSO) authentication with Google, Facebook, and Microsoft accounts, improving user sign-in efficiency and laying groundwork for secure access control
- Collaborated with a diverse 5-person team on feature development, actively engaging in code reviews, pair programming, and Git-based workflows to ensure alignment and high-quality code delivery

### Campus IT Department

Dec 2023 - Present

IT Consultant

Laie, HI

- Diagnosed and resolved 10+ hardware and software issues daily, achieving an average resolution time of under 30 minutes per case.
- Provided technical support for users, troubleshooting hardware and software problems to minimize disruptions and optimize performance.
- Updated computer images every three months to ensure users had access to a stable and up-to-date system environment.

### Cowema SARL

July 2024 - Sep 2024

Backend Engineer Intern

Brazzaville, Republic of Congo

- Designed and integrated RESTful APIs using PHP Laravel to support 50+ external vendor platforms, improving data exchange efficiency and reducing API request failures.
- Collaborated with engineers to refine API endpoints and optimize backend logic, enhancing system stability and functionality.
- Created APIs to provide client information from the database, ensuring seamless data access and improving response times for external platforms.

### Polynesian Cultural Center

Feb 2023 - Dec 2023

Canoe Guide

Laie, HI

- Engaged with 1,700+ guests daily, providing guided canoe tours while sharing Polynesian history and traditions, enhancing cultural awareness.
- Increased guest satisfaction rate by 10% from the previous year by collaborating with team members to improve tour engagement, personalize guest interactions, and ensure smooth operations.

## Volunteer and Leadership Experiences

### Japanese Student Association

Jan 2023 - June 2023

Vice President

Laie, HI

- Partnered with faculty, presidency members, and students to organize cultural events, workshops, and networking opportunities for 200+ members, promoting a deeper understanding of Japanese culture.
- Organized and led cultural events and career development seminars for 200+ members, including networking sessions with Japanese professionals and workshops on career opportunities in Japan.

### The Church of Jesus Christ of Latter-day Saints

Apr 2020 - Apr 2022

International Humanitarian Services Volunteer

Tokyo, JP

- Taught 20+ weekly lessons on personal development, leadership, and goal-setting to diverse individuals, fostering growth.
- Trained 100+ colleagues monthly in teaching, and goal-setting, helping them mentor others effectively.
